Indo American Chamber of Commerce - USA Announces Full Revival and Expanded Operations

Two-Decade Legacy Chamber Welcomes Individual, Corporate, and Student Members to Join Thriving Indian American Business Community

DETROIT, MI – August 28, 2025 – The Indo American Chamber of Commerce - USA (IACC-USA), the premier business organization serving the Indian American community for over two decades, today announced its complete revival and full-scale operations under new leadership. The Chamber is now actively welcoming members across all sectors – from individual professionals and students to startups and Fortune 500 corporations.

"After careful restructuring and strategic planning, IACC-USA is positioned stronger than ever to serve our vibrant community," said Avinash Rachmale, Chair – Founders Board of Directors. "We're the only business chamber specifically dedicated to Indian American professionals and entrepreneurs, and our revival comes at a critical time when this community continues to drive innovation and economic growth across America."

Comprehensive Support Ecosystem

IACC-USA offers an unparalleled range of services designed to support members at every stage of their professional journey:

Business Development Services:

- **Business Plan Development:** Expert guidance on creating comprehensive business plans

- **Funding Navigation:** Assistance with accessing capital, loans, and investment opportunities
- **Startup Mentorship:** Personalized coaching from successful Indian American entrepreneurs
- **Technical Assistance:** Support with regulatory compliance, licensing, and business formation

Professional Growth Programs:

- **Leadership Development:** Programs designed to enhance management and leadership capabilities
- **Career Advancement:** Resources for professional certification and skills enhancement
- **Job Placement:** Connecting talented professionals with opportunities across industries
- **Industry-Specific Training:** Specialized workshops tailored to high-growth sectors

Student and Youth Initiatives:

- **Internship Placement:** Connecting students with meaningful internship opportunities at member companies
- **Mentorship Networks:** Pairing promising students with accomplished professionals
- **Entrepreneurship Education:** Teaching business fundamentals to young innovators
- **Scholarship Programs:** Supporting academic excellence in business and technical fields for underserved families

Advocacy and Policy Support:

- **Legislative Representation:** Advocating for policies that support Indian American businesses
- **Immigration Reform:** Working toward streamlined visa processes for skilled professionals
- **Trade Policy:** Promoting balanced trade relations between the U.S. and India
- **Small Business Legislation:** Supporting initiatives that reduce regulatory burdens

Market Intelligence and Business Services:

- **Market Intelligence:** Providing data and analysis on industry trends and opportunities
- **Export Assistance:** Guidance on entering international markets, particularly India
- **Procurement Opportunities:** Information on government and corporate contracting
- **Business Technology:** Supporting digital transformation and technology adoption

"Detroit's strategic location at the heart of America's manufacturing and innovation corridor, combined with our comprehensive business resources, creates an unmatched platform for Indian American entrepreneurs," said Manoj Sachdeva, Vice Chair of the Founding Board of Directors. "IACC-USA serves as the unified business voice our community needs to amplify opportunities, share resources, and drive collective success across all industries."

Detroit Innovation Hub Facilities

IACC-USA offers complimentary conference space and temporary workspace for members at its Detroit headquarters, located at 7310 Woodward Ave (Suite 705), Detroit, MI 48202, strategically positioned in Michigan's innovation hub. Members can utilize these facilities for business meetings, client visits, collaborative work sessions, and temporary office space while in Detroit.

To schedule an appointment, contact info@iaccus.org.

Six-Tier Membership Structure

The Chamber offers flexible membership options designed to meet diverse needs:

- **Student (\$25):** Networking and internship opportunities.
- **Individual (\$250):** Networking opportunities, member-only sessions, and business resources
- **Start-up (\$500):** Enhanced visibility, pitch club access, and social media highlights
- **Small Business (\$1,250):** Premium networking, mentorship, and preferred vendor listings
- **Corporate (\$2,500):** Board eligibility, strategic partnerships, and exclusive trade missions

- **Sponsorship (\$5,000+):** Maximum visibility, custom packages, and year-round brand exposure

"Our membership structure reflects our commitment to inclusivity while providing exceptional value at every level," noted Anu GGopalakrishnan, Executive Director, IACC-USA. "Whether you're a recent graduate, a start-up, seasoned executive, or established corporation, IACC-USA has resources tailored to your success."
