

GRETCHEN WHITMER
GOVERNOR

STATE OF MICHIGAN
OFFICE OF THE GOVERNOR
LANSING

GARLIN GILCHRIST II
LT. GOVERNOR

June 4, 2025

Dear Members and Leadership of the Indo American Chamber of Commerce USA,

On behalf of the State of Michigan, I am pleased to extend my heartiest congratulations to the Indo American Chamber of Commerce USA on establishing your permanent office location in Detroit. This historic milestone marks a significant achievement as the first Chamber of Commerce dedicated to serving the Indian American community in Michigan.

Your new permanent office symbolizes the deep roots and lasting commitment of the Indian American business community to Michigan's economic future. Your organization's dedication to fostering bilateral trade and investment opportunities between the United States and India aligns with Michigan's vision of global economic partnership and innovation. The Indian American community has contributed immeasurably to Michigan's prosperity through entrepreneurship, innovation, and civic engagement. Your Chamber's presence in Detroit will undoubtedly strengthen these contributions while creating new pathways for economic growth, job creation, and cultural exchange.

As you celebrate this momentous occasion, please know that the State of Michigan stands ready to support your mission of promoting trade, investment, and business development. We look forward to working together to build bridges that will benefit both our local communities and our international partnerships.

Congratulations once again on this remarkable achievement. May your new headquarters serve as a beacon of opportunity and collaboration for generations to come.

Sincerely,

A handwritten signature in blue ink that reads "Gretchen Whitmer".
